6th Meeting of the OECD Water Governance Initiative

2-3 November 2015

OECD Headquarters, Paris, Room CC12

The [OECD Water Governance Initiative](#) (WGI) is an international **multi-stakeholder network** of 120+ delegates from public, private and not-for-profit sectors gathering twice a year in a **Policy Forum** to share experience on reforms, projects, lessons and good practices in support of better governance in the water sector.

The WGI was created in March 2013 and seeks to:

- **Advise governments** in taking the needed steps for effective water governance reforms through policy dialogue across decision-makers at different levels
- Provide a technical platform to **share knowledge, experience and best practices** on water governance through peer-to-peer dialogue
- Provide a **consultation mechanism** to raise the profile of governance issues in the **Global Water Agenda**
- Contribute to the preparation of **Water Governance Indicators** to support the implementation of **OECD Principles on Water Governance**
- Support the Implementation of the 7th **World Water Forum Roadmap** up to the 8th Forum (Brasilia, 2018)

Objectives of the 6th WGI Meeting

- Follow-up on the adoption of **OECD Principles on Water Governance** on 3-4 June 2015
- Contribute to the **Global Agenda**, in particular SDGs and World Water Forum
- Peer-review analytical work on **Water Governance in Cities**
- **Share knowledge** on latest water governance research and developments
- Put water governance in practice through **participatory modelling and simulation** exercises
