SIDE EVENT

“Youth mobility” by HOMERe France

6 December, 2021 – 14:00 -15:30

“HOMERe a programme at the service of Human Resources for a Better Transmission”

HOMERe is a project labeled by the 43 Member States of the Union for the Mediterranean (UfM)

It was launched by the Mediterranean Network of Engineering and Management Schools (RMEI) in 2014. Its main promoters are the French foreign trade advisers (CCEF), the Association of Chambers of Commerce and Industry of the Mediterranean (ASCAME), the Office for Economic Cooperation for the Mediterranean and the Middle East (OCEMO)

Its ultimate goal is to offer internship opportunities to high potential students in Mediterranean countries!

Its goals :“Connecting graduates to companies through long-term international internships in the Mediterranean”

- Improve the access of students to qualified first job positions
- Maintain these talented students in and for the Mediterranean economy
- Improve the employability prospects of young talented graduates in their native country

The success factors of an HOMERe international internship

- To acquire a first international professional experience
- To respond to a real need of the company/ region/ association
- To work in team
- To apply their knowledge and expertise to a concrete problem
- To acquire professional skills AND soft skills
- To discover new possible careers, new job potentials
- To discover and enjoy the city / region of their internship
- To succeed in integrating into the life of the society of their host country

To become proud of being a Mediterranean
